Physical and chemical properties

Appearance: Liquid

Colour: Dark Brown

Odour: Perfume

pH: 4.0 - 4.5

Relative density: 1.035 25°C

Stability and reactivity

Stability

Stable under normal conditions.

Conditions to avoid

Extremes of temperature.

Materials to avoid

None known.

Hazardous decomposition products

None.

Toxicological information

Toxicological information

No further information available.

Health Hazards, General

No specific health warnings noted if product is used in accordance with safety measures.

Health Warnings

No specific health warnings noted if product is used in accordance with safety measures.

Medical Symptoms

No specific symptoms noted.

Ecological information

Ecological information

Not regarded as dangerous for the environment.

Degradability

Main ingredient expected to be biodegradable.

Mobility

Liquid at normal Temperatures.

Disposal considerations

Waste from residues /Unused products

Dispose of as special waste in compliance with local & national regulations.

Contaminated packaging

Empty containers. Empty containers should be taken for local recycling, recovery or waste disposal.
